Dear Kids & Grandma: Sat:
Arrived here about 10
Sat. morning just as
we drove up Edward
stepped out the front
door and did his eyes
pop out you could have
raked them off with a
stick, he shook his head
shut his mouth & yelled.
Wife: Wife look who is
here. Didn't get this ready
in time for the mail man.
We got thro without a
bit of trouble. Love mom:
